

Rehabilitation & Transition CONFERENCE

Navigating UNCHARTED TERRITORY

Wednesday, May 3 – Friday, May 5, 2017

GLACIER CANYON CONFERENCE CENTER
WILDERNESS RESORT, WISCONSIN DELLS

**Rehabilitation for Wisconsin
has a proud tradition of
providing premier education
and training events.**

**We are excited to invite you to this
year's Rehabilitation and Transition
Conference in Wisconsin Dells.**

Federal regulation is rapidly changing the way Wisconsin supports people who experience disabilities. As we look toward the future, it's clear that we are entering uncharted waters. This year we will focus on navigating through this uncharted territory. This conference will do more than motivate. It will provide you with tools and takeaway materials that you can implement the day you return to work.

Rehabilitation
for Wisconsin

Conference Highlights:

Wednesday, May 3, 2017

Preconference Sessions offering three different tracks.

Thursday, May 4, 2017

FEATURED SPEAKER: DENNIS WINTERS

Dennis Winters, Chief Economist, Office of Economic Advisors, is a nationally recognized expert on human resource challenges in the competitive global economic environment. Dennis has expertise in regional and national macroeconomics, energy and labor markets and economic impact analysis. In this presentation, he will address the workforce shortage in Wisconsin.

FEATURED SPEAKER: CURTIS CUNNINGHAM

Curtis Cunningham is the Assistant Administrator of Long Term Care Benefits and Programs in the Division of Medicaid Services, where he is responsible for the provision of long-term support and services for the elderly and people with disabilities. Curtis administers and oversees the Family Care managed care program, IRIS (Include, Respect, I Self-Direct) program, several community-based Medicaid waiver programs and support services for children with disabilities. In this presentation, he will address the Home & Community Based Services (HCBS) Final Rule.
